

End-of-Sale & End-of-Life Announcement for the all Model 72, 75, 78 (“70 Series”) Series Appliances.

Notice#EOL2018030601

IPTL announces the end-of-sale and end-of-life dates for all SKU’s the Model 72, Model 75, and Model 78 appliances also known as the Model 70 series product set.

Table 1. End-of-Life Milestones

Milestone	Comment	Action Date
End-of-Life Announcement Date	Announcement of product availability action. The product SKU’s are no longer recommended for new installations.	March 12, 2018
End-of-Sale Date	Last possible date the product is Generally Available (GA) and any new orders will be accepted for the SKU by IPTL order processing. After this date these SKU’s will not be accepted by IPTL for new orders.	June 10, 2018
End-of-Software-Maintenance Date	The last date IPTL Engineering may release firmware for the SKU’s. After this date, IPTL will no longer develop, repair, maintain, or test product software.	June 10, 2020
End-of-Services-Contract-Renewal Date	Last date to extend or renew any services contracts for the SKU’s.	June 10, 2018
Last-Date-of-Support Date	IPTL, at its sole discretion, will provide support for all of its products as per its support services policy After this date, all support services for the product may be unavailable and the product is obsolete. Note: support may not be available after the End-of-Software-Maintenance-Date due to missing features or bugfixes available after this date at IPTL’s discretion	June 10, 2023

Table 2. Product SKU’s Affected by this Announcement

EOL Product SKU	Replacement Product SKU
10070-72-01 and all variants	10070-770-72
10070-75-01 and all variants	10070-770-75
10070-78-01 and all variants	10070-770-78

Product Migration Options

Customer's requiring enterprise connectivity or expansion are encouraged to use the Model 770 series appliances. IpTL has offered SKU's of the 770 with pre-configured connections licenses to enable "drop-in" substitution.

Model 770 Series product information can be found at:
